## IN CASE OF AN EMERGENCY

Daimler Buses has an Emergency Plan. Follow the instructions of the personal in case of alarm or evacuation notice:

- ✓ Leave the area through the nearest emergency exit and proceed to the designated meeting point.
- ✓ Do not search for personal belongings.
- ✓ At the meeting point, wait until you receive instructions from the emergency teams.

## In case of a fire:

- ✓ Stay calm and do not stop at the exits.
- ✓ If you find yourself surrounded by smoke, crouch down and crawl.
- ✓ Close the doors as you go through them.

The company declines all responsibility for visitors not following these Safety Rules scrupulously.

## INFORMATION SECURITY:

- ✓ Never connect a removable USB device to a Daimler Buses España equipment without the approval of your visit coordinator.
- ✓ Never connect it to DBE equipment without scanning it first.
- ✓ Whenever you disconnect a removable USB device, use the "Eject" option.
- ✓ Identify the removable USB devices you are going to use with your visit coordinator.
